

GOLF SUPPORTS OUR TROOPS AND FAIRWAYS FOR WARRIORS

2025 HEROES TO IRELAND EVENT

Golf Supports Our Troops and Fairways for Warriors will host one more Heroes to Ireland trip in 2025 for 20 more wounded/disabled veterans and we need your help. We depend upon generous people like you to help them enjoy a well-deserved, once-in-a-lifetime experience. Many of the veterans who participated in the 2015, 2017, and 2019 trips said it was “the best week of their lives”.

The 2019 trip cost was \$85,000. The proposed 2025 trip will cost closer to \$100,000 due to inflation and the world economy. Brian Coleman, founder, and President of Golf Supports our Troops, and his wife are seeding the fundraising drive by matching the first \$20,000 donated.

Donations made through GoFundMe for Heroes to Ireland 2025 will go to Fairways for Warriors so that all donations are tax-deductible. Fairways for Warriors is a highly respected 501(c)3 charity (EIN 273671721). Every donation will be acknowledged with a receipt.
